The Next Evolution
in Safety Training

Welcome to the Evolution in EH&S Training

The Risk Management Group is helping a number of organizations experience a new and refreshing way to source occupational health and safety training materials, one where the customer’s needs come first. With access to multiple training resources from today’s top vendors, we focus on finding the right products and services for you – not pushing you into a single solution.

After all, it’s only a *solution* when it meets your requirements and solves your challenges.

Approach
Your Goals
Your Choice
Less Effort

Interactive Online Training Programs »

Safety Skills offers over 300 highly interactive, competency based, engaging online training courses. Student training activity, scheduling, and reporting are easily managed in the powerful learning management system. All courses are in compliance with Section 508 to ensure all workers receive consistent and quality training.

General Industry Safety Training

- Aerial Lift Safety
- Asbestos Hazard Awareness
- Back Injury Prevention
- Behavior Based Safety
- Benzene Awareness
- Bloodborne Pathogens - Competency Format
- Carcinogen Awareness
- Cold Stress in the Workplace
- Compressed Gas Safety
- Confined Space Awareness
- Construction Safety
- Excavation and Trenching
- Fall Protection
- Fire Safety
- Flammable and Combustible Liquids
- Globally Harmonized System
- Hand and Pinch Point Safety
- Hand and Power Tool Safety
- Hazard Communication
- Hazardous Materials Management, Basic
- Hazardous Materials Management, Explosives
- Hearing Conservation
- Heat Stress in the Workplace
- Hexavalent Chromium
- Hot Work/Arc Welding
- Incident Investigation
- Indoor Air Quality
- Industrial Ergonomics – Competency Format
- Industrial Hygiene
- Introduction to OSHA
- Job Safety Analysis
- Ladder Safety
- Laser Safety
- Lead Awareness
- Lockout/Tagout – Competency Format
- Machine Guarding
- Material Handling
- Occupational Safety and Health Programs
- Office Ergonomics
- Office Safety

- OSHA Reporting & Recordkeeping
- Overhead Crane Safety Hand Signals
- Overhead, Gantry and Mobile Crane Safety
- Performing Safety Audits
- Personal Protective Equipment – Competency Format
- Portable Fire Extinguishers
- Radiation Safety Awareness
- Respiratory Protection
- Safety Data Sheets
- Scaffold Safety
- Sever Weather and Outdoor Work
- Slips, Trips and Falls – Competency Format
- Stop Work Authority
- Storm Water
- Storm Water Pollution Prevention for Industrial Operations
- Struck By and Caught Between Injuries for Construction
- Tattoo Safety
- Warehouse Safety

Forklift Safety Series

- Forklift Operator Training - Fundamentals - Competency Format
- Forklift Operator Training - Safe Operations
- Forklift Operator Training - Safe Traveling and Loading
- Forklift Operator Training - Safe Maintenance

Driver Safety Series

- Delivery Driver Safety
- Distracted Driver
- Driver Safety
- Hazardous Driving
- Hazards of Speeding
- Road Rage

Electrical Safety Series

- Electrical Safety - Arc Flash
- Electrical Safety - Competency Format
- Electrical Safety - Grounding
- Electrical Safety above 601 Volts

Interactive Online Training Programs »

Emergency Response Series

- Basic First Aid
- Emergency Action
- Plans for Office Employees
- Emergency Response
- Surveying the HAZMAT Incident

Environmental Performance

- Environmental Awareness
- Pollution Prevention Initiatives
- Safety and Health Awareness for Oil Spill Cleanup Workers

Hospital Safety Series

- HIPAA Compliance Training
- HIPAA Compliance Training for HR Officers
- Influenza Pandemic Planning for Businesses
- Influenza Prevention
- Latex Allergy
- Legionnaires' Disease
- N95 Respirators – Preventing Airborne Disease Transmission
- Tuberculosis Exposure

Oil and Gas Safety Series

- Access to Medical Records
- Accident Prevention Signs and Tags for Oil and Gas Operations
- Air Permitting Awareness for Oil and Gas Personnel
- Back Injury Prevention for Oil and Gas Workers
- Basic First Aid for Oil and Gas Personnel
- Chainsaw Safety for Oil and Gas Personnel
- Cold Stress for Upstream and Midstream Oil and Gas Operations
- Confined Space and Engulfment Awareness for Oil and Gas Operations
- Electrical Safety Awareness for Oil and Gas Personnel
- Electrical Safety for a Qualified Person in the Oil and Gas Industry
- Excavation and Trenching for Upstream Oil and Gas Operations
- Fall Protection for Upstream Oil and Gas Operations
- Fatigue Management for Control Room Employees
- Fire Prevention for Natural Gas, Oil and Derivatives
- Flame-Resistant Clothing for Oil & Gas Personnel
- H2S Safety Procedures for Drilling and Production Operations
- Hand and Power Tools for the Oil and Gas Industry

- Hazard Communication for the Oil and Gas Industry
- Hearing Conservation for Upstream Oil and Gas Operations
- Heat Stress for Upstream Oil and Gas Operations
- Hot Work/Arc Welding for Oil and Gas Operations
- Ladder Safety Oil & Gas Personnel
- Lockout/Tagout Awareness for Oil and Gas Personnel
- Lockout/Tagout Simulation: Compressors
- Lockout/Tagout Simulation: Pipeline
- Lockout/Tagout Simulation: Separator
- Machine Guarding for Oil and Gas Personnel
- NORM Awareness for Upstream Oil and Gas Operations
- Oil Rig Safety
- Personal Protective Equipment for Oil and Gas Personnel
- Portable Fire Extinguisher Techniques on Oil and Gas Sites
- Respiratory Protection for Oil and Gas Personnel
- Rigging Safety for Oil and Gas Operations
- Silica Awareness
- Spill Prevention, Contingency and Countermeasures for Oil and Gas Operations
- Spill Response for Oil and Gas Personnel
- Struck By/Caught Between for Well Completion
- Substance Abuse Training for Supervisors in the Oil and Gas Industry
- Wildlife Safety for the Oil and Gas Industry
- Winter Safety for Oil and Gas Personnel

Municipal Safety Series

- Animal Control Safety
- Municipal Employee Safety
- Park and Landscape Maintenance Safety
- Sewage, Waste Water and Water Line Maintenance
- Street Maintenance Worker Safety
- Waste Collectors Safety

Laboratory Safety Series

- Chemical Hygiene Plan
- Chemical Safety
- Laboratory Safety

Retail and Grocery

- Back Injury Prevention in the Retail Industry
- Customer Violence in the Retail Environment
- Ergonomics in the Retail Industry
- Ladder Safety in the Retail Industry
- Loss Prevention in Retail Sales
- Parking Lot Safety
- Slips, Trips and Falls in Retail Sales
- Trash Disposal

SuperMarket Safety Series

- Backroom Safety - Supermarket
- Bakery and Deli Safety - Supermarket
- Fundamentos de Levantamiento Seguro (Safe Lifting Basics)
- General Safety - Supermarket
- Meat Market Safety - Supermarket
- Mercado de la Carnicería (Meat Market Safety)
- Resbalones, Tropiezos y Caídas (Slips, Trips and Falls)
- Safe Lifting Basics - Supermarket
- Seguridad de la Panadería y el Deli (Bakery/Deli Safety)
- Seguridad de la Trastienda del Supermercado (Backroom Safety)
- Seguridad General del Supermercado (General Safety)
- Slips, Trips and Falls – Supermarket

Human Resources Series

- Conflict Resolution Strategies
- Discrimination in the Workplace
- Diversity in the Workplace
- Drug Free Workplace
- Lawful Hiring Practices
- Lawful Terminations and Employee Separation
- Leadership Skills for Managers
- Sexual Harassment and Discrimination for Employees
- Sexual Harassment Prevention for Managers
- Situational Awareness – Business Travel
- Substance Abuse Training for Supervisors
- Violence in the Workplace

On-Campus Series

- Active Shooter On Campus (A.L.I.C.E.)
- Biological Safety On Campus
- Bloodborne Pathogens for Research and Campus Activities
- Campus Emergency Action Plans
- Campus Security Authorities
- Chemical Hazards in Laboratories and Research Facilities
- Driving On and Off Campus
- FERPA - Family Educational Rights and Privacy Act
- Fire Safety On Campus
- Golf Cart Safety
- Laboratory Safety in Research and Education
- Suspicious Packages
- Title IX/Sexual Misconduct at Educational Facilities
- Working With Animals in Research
- Working with Lasers in Research and Education

CAL/OSHA Training Series

- Basic First Aid - Cal/ OSHA
- Bloodborne Pathogens - Cal/ OSHA
- Compressed Gases Awareness - Cal/ OSHA
- Electrical Safety - Cal/OSHA
- Fall Protection Awareness - Cal/ OSHA
- Fire Safety - Cal/ OSHA
- Forklift Operator Training: Fundamentals - Cal/ OSHA
- Hand and Power Tool Safety - Cal/OSHA
- Hot Work/Arc Welding - Cal/OSHA
- Industrial Ergonomics - Cal/ OSHA
- Ladder Safety - Cal/ OSHA
- Sexual Harassment and Discrimination in California for Employees
- Sexual Harassment Prevention for Managers in California (AB1825)

Canadian Training Series

- Back Injury Prevention – Canada
- Basic First Aid - Canada
- Bloodborne Pathogens - Canada
- Chemical Safety - Canada
- Cold Stress in the Workplace - Canada
- Confined Space Awareness - Canada
- Construction Safety - Canada
- Delivery Driver Safety - Canada
- Discrimination in the Workplace for Managers - Canada
- Distracted Driver - Canada
- Driver Safety - Canada
- Drug Free Workplace – Canada
- Electrical Safety - Arc Flash – Canada
- Electrical Safety - Canada
- Emergency Response - Canada
- Excavation and Trenching - Canada
- Fall Protection – Canada
- Fire Safety - Canada
- Forklift Operator Training - Fundamentals – Canada
- H2S Safety Procedures for Drilling and Production Operations - Canada
- Halloween Safety Tips - Canada
- Hand and Power Tool Safety - Canada
- Hazardous Driving Conditions – Canada
- Hazards of Speeding - Canada
- Hearing Conservation -Canada
- Heat Stress in the Workplace – Canada
- Hot Work/Arc Welding - Canada
- Incident Investigation - Canada
- Industrial Ergonomics - Canada
- Ladder Safety - Canada
- Lockout/Tagout - Canada
- Machine Guarding - Canada
- Materials Handling - Canada
- Office Ergonomics – Canada
- Oil Rig Safety – Canada
- Performing Safety Audits - Canada
- Personal Protective Equipment - Canada
- Portable Fire Extinguishers - Canada
- Respiratory Protection - Canada
- Road Rage - Canada
- Safety Data Sheets - Canada
- Scaffold Safety – Canada
- Severe Weather and Outdoor Work - Canada
- Slips, Trips and Falls - Canada

- Violence in the Workplace - Canada
- Warehouse Safety - Canada
- WHMIS

Spanish Series

- Asbestos Hazard Awareness - Spanish
- Back Injury Prevention - Spanish
- Basic First Aid - Spanish
- Bloodborne Pathogens - Spanish
- Confined Space Awareness - Spanish
- Electrical Safety - Spanish
- Emergency Action Plans for Office Employees – Spanish
- Fire Safety – Spanish
- Forklift Operator Training – Fundamentals – Competency Format – Spanish
- Forklift Operator Training – Safe Operations – Spanish
- Forklift Operator Training - Safe Traveling and Loading - Spanish
- Globally Harmonized System - Spanish
- Hazard Communication - Spanish
- Hearing Conservation - Spanish
- Industrial Ergonomics - Spanish
- Introduction to OSHA - Spanish
- Lockout/Tagout - Spanish
- Office Safety - Spanish
- Personal Protective Equipment – Spanish
- Respiratory Protection - Spanish
- Respuesta de Emergencia (Emergency Response)
- Safety Data Sheets - Spanish
- Seguridad con Escaleras (Ladder Safety)
- Slips, Trips and Falls - Competency Format - Spanish
- Storm Water Pollution Prevention for Industrial Operations – Spanish

Learning Management Systems »

Safety Skills robust learning management system allows your organization to:

- Identify training requirements and set goals at the individual, team, and organizational levels
- Assign, deliver and record instructional content and training activities, whether delivered online, in the classroom, or in the field
- Track progress towards meeting training goals
- Collect data to help fulfill recordkeeping and reporting requirements and to aid in assessing the efficacy of the training program as a whole

SafetySkills offers and supports an enterprise-level, SCORM/AICC compliant LMS that provides a powerful set of features to help organizations streamline their training processes with minimal costs. Developed specifically to meet the needs of Environmental, Health and Safety and Human Resources departments and programs, the SafetySkills LMS offers a reliable, one-stop resource to manage your organization's training needs.

Centralized Training Management

- Assign, track and manage both online and offline training, including scheduling events and managing course enrollment, all from one central location
- Import archived training records
- Upload additional SCORM/AICC compliant courses
- Attach documents and/or links to additional resources for your learners
- Track Continuing Education Units (CEUs)

1510-0001
